Re: Transfer of NuCor Site to UNS Electric, Inc. - October 1, 2007

Dear Ms. Livengood:

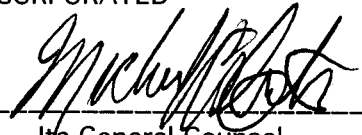

Thank you for your July 13, 2007 letter establishing the specific transfer date to UNS Electric, Inc. of the portion of Mohave Electric Cooperative Inc.'s Certificate of Convenience and Necessity encompassing the NuCor Plant site, all as more fully set forth in Arizona Corporation Commission Decision No. 68178. Mohave Cooperative agrees to a transfer date of Monday, October 1, 2007 for both the certificated area and service responsibility to the NuCor plant. By copy of this letter, we are notifying NuCor of the acceptance of UNS Electric's proposed transfer date.

You also inquired as to the specific MEC owned facilities to be transferred to UNS Electric and the cost of those facilities. No MEC owned facilities are to be transferred as a result of the transfer of this portion of MEC's certificated area and the NuCor plant service. UNS must install whatever facilities it needs to meet the service requirements of the customers within the certificated area.

Please have the field operating personnel of UNS Electric contact Mr. Thomas Longtin or his designee at Mohave Electric Cooperative, Inc. (928-758-0567 or 928-758-0520) to insure a smooth transition.

Very truly yours,

MOHAVE ELECTRIC CO-OPERATIVE,
